Mr. John Doe

Senior Manager

3553 Blackwell Street Toksook
Bay, AK 99637

Dear Mr. Doe

Experienced assistant project manager with a solid understanding of technical and business-oriented project elements. Educational and practical experience developing workflow solutions to meet client requirements effectively while improving internal efficiency. Expert-level proficiency with several database interface and project management software programs. Excellent delegation and leadership skills, including the ability to augment technical staff when necessary to meet budgetary requirements and deliverables schedule.
